

The impact of your donations

WOULD YOU CONSIDER DONATING TODAY?

Your support helps us continue spreading the transformational Word of God globally

Asempa's story from Ghana

Your generous donations have far-reaching impacts. Our Ghanaian partners, Asempa, are transforming lives by distributing *Fresh from The Word* in prisons and shared these heartfelt words:

“We thank all donors whose contributions help us impact lives with IBRA's devotional materials. We have attached pictures of *Fresh from The Word* (English) and four local versions donated to prison inmates in Ghana through the Chaplaincy office of the Ghana Prisons Service in Accra.”

Your donations enable us to send annual grants to our international partners who then publish and distribute *Fresh from The Word* in various languages, ensuring accessibility for our readers worldwide.

We'd love to hear where you are reading with us! Share your experiences and any photos with Zoë Keens at zoe.keens@christianeducation.org.uk or write to us at IBRA, Suite 5-6, 1 Devon Way, Birmingham B31 2TS.
